COURTESY LIST OF NEWSPAPER FOR PUBLICATION

In cases that you do not know the whereabouts of your spouse in order to properly serve him or her with your filed Summons and Petition (or some other document), you may ask the court for permission to serve your papers "by publication." In order to serve by publication, you will need to file a Request and Order for Publication or Posting (Form VN-156). Once your request has been granted, you will need to publish the required documents with the selected newspaper at least once a week for four consecutive weeks.
