DESCRIPTION:

Chapter 850, Statutes of 1997, enacted the Lockyer-Isenberg Trial Court Funding Act of 1997 to provide a stable and consistent funding source for the trial courts. Beginning with the 1997-98 fiscal year, consolidation of the costs of operation of the trial courts was implemented at the state level. This implementation capped the counties' general purpose revenue contributions to trial court costs at a revised 1994-95 level. The county contributions become part of the Trial Court Trust Fund, which supports all trial court operations. Fine and penalty revenue collected by each county is retained or distributed in accordance with statute. Each county makes quarterly payments to the Trial Court Trust Fund equal to the fine and penalty revenue received by the state General Fund in 1994-95, as adjusted by amounts equivalent to specified fine and fee revenues that counties benefited from in the 2003-04 fiscal year. Chapter 1082, Statutes of 2002, enacted the Trial Court Facilities Act of 2002, which provided a process for the responsibility for court facilities to be transferred from the counties to the state. The mission of the Superior Court is to resolve disputes arising under the law and to interpret and apply the law consistently, impartially, and independently to protect the rights and liberties guaranteed by the Constitutions of California and the United States, in a fair, accessible, effective, and efficient manner.
