

# Superior Court, County of Ventura

## **NOTICE**

January 3, 2022

### **Civil Case Management Calendar**

Beginning October 1, 2021, the court resumed the civil case management calendar in Courtroom 22b at 8:15 a.m. on Fridays only. The court continues to set a Case Management Conference (CMC) for any case in which a CMC did not occur (due to the suspension of the Courtroom 22b calendar) and the court determines a CMC is still required. The parties will receive written notice of the new CMC hearing date.

The court provides the opportunity to make a remote appearance by CourtCall. This method of appearance is encouraged and highly preferred due to the ongoing pandemic, as reflected in current Ventura County Public Health orders. Reservations with CourtCall are required by 12:00 p.m. the court date prior to the hearing.

If the court determines that the CMC is to go off calendar, the court will issue a tentative ruling (by 4:00 p.m. the day before the hearing) advising the parties that no appearance is necessary.
