If the Bidder will claim the small business preference in a solicitation where a small business preference is offered, it must complete the Small Business Declaration. If no small business preference is offered, or the Bidder does not claim the small business preference, the Bidder should not complete the Small Business Declaration.

The JBE will determine whether the Bidder is eligible to receive the small business preference based on information provided in the Small Business Declaration. The JBE may, but is not obligated to, verify or seek clarification of any information set forth in the Small Business Declaration. If the Bidder submits incomplete or inaccurate information, it will not receive the small business preference.

Instructions for Section I

Skip this section if the Bidder is not itself a Small Business.

1. Provide the Bidder’s DGS Supplier ID number. This number is in the Bidder’s DGS Supplier Profile, accessible at www.bidsync.com/DPXBisCASB.
2. Provide the applicable dates. These dates are listed in the Bidder’s DGS Supplier Profile, accessible at www.bidsync.com/DPXBisCASB.
3. If the Bidder will subcontract any portion of the contract work, answer “yes” and complete subparts A-C. If the Bidder will not subcontract any portion of the contract work, answer “no” and skip subparts A-C.
Subpart A: This percentage is equal to the amount to be paid by the Bidder to all subcontractors divided by the Bidder’s total proposal price, multiplied by 100. Enter a percentage; do not enter a dollar amount. For example, if the amount to be paid by the Bidder to subcontractors is \$35,000 and the Bidder’s total proposal price is \$125,000, enter “28%” ($35000 \div 125000 = 0.28$; $0.28 \times 100 = 28$).
Subpart B: Provide a detailed description of the goods and/or services the Bidder itself will provide for the contract. In other words, provide a detailed description of the goods and/or services that will not be subcontracted. Attach additional sheets if necessary.
Subpart C: Provide an explanation of how the Bidder’s goods and/or services constitute a “commercially useful function” for purposes of the contract. Pursuant to Government Code section 14837, a business is deemed to perform a “commercially useful function” if the business does all of the following: (i) is responsible for the execution of a distinct element of the work of the contract; (ii) carries out its obligation by actually performing, managing, or supervising the work involved; (iii) performs work that is normal for its business services and functions; (iv) is responsible, with respect to products, inventories, materials, and supplies required for the contract, for negotiating price, determining quality and quantity, ordering, installing, if applicable, and making payment; and (v) is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices. Note: a business will not be considered to perform a “commercially useful function” if its role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of Small Business participation. Attach additional sheets if necessary.
4. Each entity certified as a Small Business by DGS will have received a Small Business certification approval letter from DGS. The Bidder must submit a copy of its Small Business certification approval letter.
