CIVIL UNLIMITED/LIMITED CASES

The 22B Civil Case Management Calendar Remains Suspended

For all pending civil cases in which Case Management Statements have been filed and/or the scheduled Case Management Conference was not heard, the court will send notice of a future Trial Setting Conference date in the vertically assigned Courtroom only *if the case is at issue*, (ready for trial.)

Qualifying cases will be set for future Trial Setting Conferences beginning with the oldest scheduled on March 23, 2020. Review of the Case Management Statements and/or case status and noticing will occur over several weeks.
