

## Questions and Answers

1. For the haul away portion of existing curtains and vinyl verticals, will the selected vendor be able to station a Marborg roll-off in a designated area nearest to the freight elevator?  
**Yes, Facilities and Maintenance will coordinate where in the Hall of Justice loading dock area the roll-off will be placed.**
2. The vendor would be responsible for timely drop off / pick up of the roll off? **Yes, that is correct.**
3. Do we have to provide the vertical blinds with the valance? **Yes, the vertical blinds will be provided with the valance**
4. Regarding the dual roller shade: the valance is black, the bottom is black, and that is for the black color fabric. For the sheer fabric or the blackout fabric, what is the color of the bottom? **The Valance is black and the bottom of the sheer will be the same color as the fabric.**
